What Our Advertisers Are Saying...

The QB team said I needed three things in my ad: Say you're from Barrington. I've been here eight years. Include your photo. And run more than one ad.

One ad isn't enough. Being consistently in the magazine for repetition is important.

My first ad I got one call. Now I get 10 calls from new customers every issue. People cut out my ad and saved it. Some people held onto it for six months before they called me.

Every time I walk in someone's door, they say "you look just like your picture." It makes customers more comfortable when they know who you are. People love that I am local and can bump into them at the grocery store.

Having the magazine in 60010 and Inverness keeps me local and that's where I want to be. Without QB my new business wouldn't have grown as quickly as it has.
