Barrington's White House offers events virtually and with limited capacity gatherings as per state guidelines. See page 55 for details. Visit barringtonwhitehouse.com.

BARRINGTON FARMER'S MARKET

Through October on Thursdays

3 to 7 p.m. in Downtown Barrington

ANIMAL HOUSE SHELTER CAPITAL CAMPAIGN

Animal House Shelter, Huntley

The Mary Gardner Foundation in conjunction with the Community Foundation of the Fox River Valley is looking for another donor to match their pledge/contribution of \$400,000 for the shelter's new facility. Contact Ashley Feck, Dir. of Development at 847-361-1886 or at ashley@animalhouseshelter.com.

HOPE'S IN ACADEMY JR.

July 7–July 23

Every Tuesday and Thursday

10 a.m. to 10:45 a.m.

A virtual summer camp that creates fun, age-appropriate conversations for students to learn how to change the world. Based on our high school program called the Hope's In Academy, this modified course will help middle school students learn about social impact and meet various nonprofits in the Barrington area. The camp will be hosted by our Exec. Dir. Courtney McGovern who co-founded HOPE'S IN with her twin sister while they were juniors at BHS. Sign your child up here: <https://hopesin.org/hopes-in-academy-jr/>

MEDICAID MAYHEM & PROTECTING YOUR ASSETS

Elderwerks Educational Services

Wednesday, July 22

5:30 to 6:30 p.m.

Save The Date!

INAUGURAL MEN'S CHORAL CONCERT

Barrington Men's Alumni Choir

Saturday, July 17, 2021

Artistic Director Ron Arden and BHS men's choir or vocal students are invited to learn more about this exciting new endeavor. Details on page 54.

WCI Remains True to Its Mission

The Women's Club of Inverness (WCI) has granted \$22,000 to 11 deserving area students, as well as \$16,950 to 17 community agencies. While members are grateful to continue the WCI mission during the pandemic, it was heartbreaking to only be able to award scholarships to 11 of the 60 students who applied. Each of the applicants were academic superstars with amazing talents and leadership skills. This was possible due to the successful Fall 2019 'Sip & Sparkle' Event, plus additional generous donations. WCI is a 501(c)3 organization and accepts donations, as well as new members. To donate, visit womensclubofinverness.com. Another way to easily donate is to have Amazon Smile donate for you. Visit smile.amazon.com, and select Women's Club of Inverness as your charitable organization to receive donations.

What's New at the Barrington Chamber

LOCAL CHAMBERS DEVELOP BACK TO BUSINESS TOOL KIT TO AID IN REOPENING THE LOCAL ECONOMY

To help local business develop a successful plan for reopening, four local chambers collaborated on a "Back to Business" Tool Kit to aid in reopening the local economy. The Barrington Area Chamber of Commerce; the Fox Lake, Richmond, Spring Grove Area Chamber of Commerce; the Lake Zurich Area Chamber of Commerce; and the Wauconda Area Chamber of Commerce, launched a reopening playbook that includes information on the State's reopening guidelines, getting prepared, planning a safe reopening, checklists, printable posters, and helpful links. The information was compiled from the resources available through the Illinois Department of Public Health, CDC, and best practices being used across the country.

A copy of the "Back to Business Tool Kit" document can be downloaded from each of the Chamber's websites at: barringtonchamber.com; flrsgac.com; lzacc.com; and waucondachamber.org.

SOUTH BARRINGTON STUDENT TOP 12 AT DARTMOUTH

Dartmouth's top 12 students, six valedictorians and six salutatorians, were recognized on Sunday, June 14, 2020 during the degree-conferral ceremony, "Celebrating the Moment: Dartmouth 2020", held online. One of Dartmouth College's six valedictorians from the Class of 2020 is Brandon Nye from South Barrington.

Nye's major is Economics and he will be working for Bridgewater Associates before applying to law school.

"Throughout my time at Dartmouth, my classes were enriching and my professors inspiring," Nye said. "Dartmouth also afforded me valuable opportunities to expand my learning beyond the classroom. After learning the skills necessary for empirical research, I was able to apply these methods to study the public policy of Medicaid expansion both as an assistant to TDI Professor Ellen Meara, and on my own in my Econ 80 project. My public policy classes in the Rockefeller Center, the government department, and the geography department complemented my economics education by providing context for the statistics and models I was developing. I then had the exciting experience of bringing it all together to help Vermont policymakers answer local governance questions in the Class of 1964 Policy Research Shop. Through opportunities for both empirical and socio-political engagement, Dartmouth has prepared me to take on important societal challenges."
