THE DOCTOR'S OFFICE REIMAGINED

Introducing Co-Optim Health Deer Park

Your new medical office space purposefully designed especially for you.

Co-Optim Health delivers complete turn-key medical office facilities for your practice, coupled with outstanding luxuriously appointed reception services for your patients.

Co-Optim Health provides flexible medical offices and exam rooms, nurse's stations, labs, health bars and doctors lounges along with professional support services to help manage and grow your practice. Our flexible memberships allow you to choose a plan that works for you and saves you money. Only pay for the space you need on the days you need it. Choose from 1-7 office days per week for you or your group.

Visit us online or stop in today at our flagship location in Deer Park, IL for a tour your new office and get more information about our flexible pricing plans and membership amenities.

Flexible Medical Office Space

The Space

Co-Optim Health provides the perfect solution for doctors and medical practitioners looking for fully furnished or satellite medical office suites and exam rooms. Our unique and luxurious reception areas and thoughtful workflow provide the perfect experience for you and patients.

The Freedom

Co-Optim Health allows you the flexibility and freedom of having your own practice without the worries of being tied to a group or the expense of a long-term lease, utilities, payroll, janitorial services, or day-to-day operations. We take care of it all so you can focus on your patients.

The Care

At Co-Optim Health, we believe that healing starts when your patients walk through the door. Our friendly reception and concierge team takes pride in providing your patients with compassion, kindness, and hospitality.

The Plan

Co-Optim Health provides medical office spaces for doctors, dentists, therapists, dietitians, dermatologists, and more! Each Co-Optim Health membership is custom designed to fit your medical practice needs. Choose the plan that works for you; Between 1-7 office days per week.
