THE DOCTOR'S OFFICE REIMAGINED

Introducing Co-Optim Health Deer Park

Your new medical office space purposefully designed especially for you.

Co-Optim Health delivers complete turn-key medical office facilities for your practice, coupled with outstanding luxuriously appointed reception services for your patients.

Co-Optim Health provides flexible medical offices and exam rooms, nurse's stations, labs, health bars and doctors lounges along with professional support services to help manage and grow your practice. Our flexible memberships allow you to choose a plan that works for you and saves you money. Only pay for the space you need on the days you need it. Choose from 1-7 office days per week for you or your group.

Visit us online or stop in today at our flagship location in Deer Park, IL for a tour your new office and get more information about our flexible pricing plans and membership amenities.
