

Bill and Kat Linville and their family enjoy the 2021 Tartans for the Trust.

Barrington Area Conservation Trust

BACT CELEBRATES ITS 2021
TARTANS FOR THE TRUST

MEMBERS, GUESTS, DONORS, and a host of Celtic friends joined together for BACT's annual "Tartans for the Trust" fundraisers on August 28, 2021. Many, if not most, will remember that it was 91° F in the shade for this multi-generational Highlander festival! Temperature aside, the great day of fun was filled with music, a visit from the staff and miniature horses from SOUL Harbour Ranch Animal Therapy Program, games for the little ones, and much more. Guests could purchase tents in advance and then brought their own food and drinks for a wonderful day in the heart of Barrington Hills. To learn about the Barrington Area Conservation Trust and its work in preserving our open spaces, visit bactrust.org. U
