## Barrington Junior Women's Club Hosts Its Fall Fashion Show

STORY BY LISA STAMOS • PHOTOGRAPHY BY LINDA M. BARRETT

ON SATURDAY, November 4, 2023, friends, fashion, and philanthropy merged as the Barrington Junior Women's Club (BJWC) celebrated its annual Fall Fashion Show "Goddesses of Glam—The Power of Inner Beauty" at Avante Banquets. This year's signature fundraiser was held in the evening, casting a warm holiday glow over the event. Cutting-edge fashion came to life in a fast-paced, live runway show highlighting the latest collections from the City's most iconic and luxurious retailers. Guests enjoyed a sit-down dinner, cocktail hour, silent auction, and dancing. Funds raised will benefit the mission of BJWC to enhance the lives of women, children, and seniors in the Northwest Suburbs. Reading like a who's who list, this annual event attracts more than 300 prominent women, business leaders, and philanthropists, dedicated to empowering the lives of others while celebrating the pre-holiday season.

*BJWC was founded in 1936 and remains one of the Barrington area's most dynamic service organizations. To learn more, visit [bjwc.org](http://bjwc.org).*
