

# Who's Who In Home & Garden

## *HOMES BY PINNACLE*

This year marks a proud milestone for our company: 30 years of designing and building custom homes in Barrington. For three decades, our company has had the privilege of designing and building distinctive homes that reflect the character, traditions, and timeless appeal of this remarkable community.

Barrington is known for its charm, strong neighborhoods, and commitment to quality—values that closely align with our own. From traditional designs to thoughtfully crafted modern residences, each home we design and build is guided by careful attention to detail, enduring craftsmanship, and a deep respect for the surrounding landscape.

Over the past 30 years, we have worked closely with generations of Barrington homeowners, creating spaces where families grow, celebrate milestones, and build lasting memories. Many of our projects come through referrals, a testament to the trust our clients place in us and the relationships we've built along the way.

Reaching this anniversary would not be possible without the support of our clients, community, and skilled tradespeople who share our dedication to excellence. As we look ahead, we remain committed to honoring Barrington's architectural heritage while continuing to innovate and deliver homes of exceptional quality. We are proud to call Barrington home and grateful for 30 years of building within this extraordinary community.

*“What sets us apart is our ability to design and build exceptional homes that reflect our clients’ vision while simultaneously staying within their budget. Achieving this balance takes decades of experience and thoughtful design, but when done right, the result is nothing short of extraordinary.”*

*Craig Ciaglia - Vice President*
